## Foreword

IN our high school days we have formed permanent bands of friendship, we have received the foundation of our education, we have had pleasant social and athletic events; in order that each one of us may remember and review these in future years, we have made this book.

In Memoriam

BLANCHE L. HASSELBACH

Our beloved friend and teacher

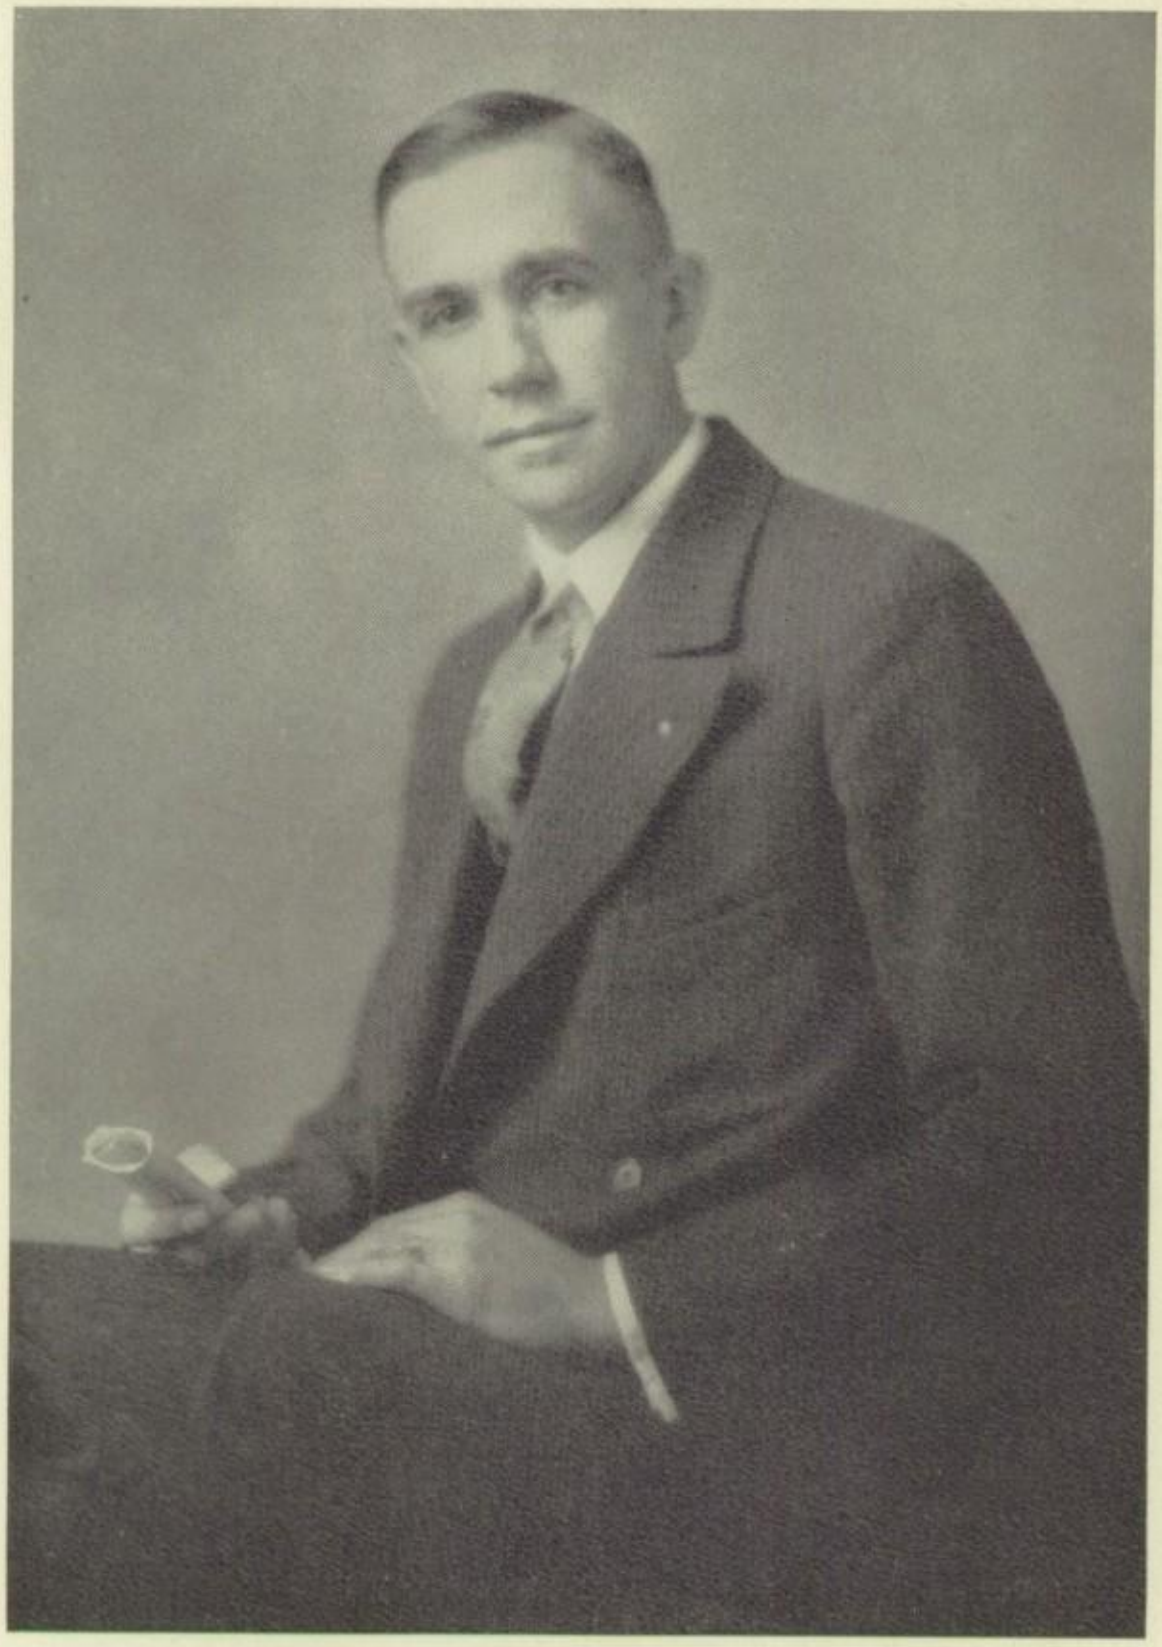
## Dedication

To our coach and teacher William (Bunk) Ross, who has made Fremont High prominent, who has aroused our school spirit, who descends from a family which has been associated with our school from its earliest days, we dedicate this twelfth volume of the Croghan.

FREMONT HIGH SCHOOL
ANNO DOMINI
MCMIX

## Superintendent

Mr. Hudson has been with us now for two years. Last year he was principal and as a reward of his good work, he is now superintendent. To him we wish to express our appreciation of all the good he has done for our school.



## Principal

This is Mr. Bohn's first year in Fremont, and as the principal, he has become well known to all the student body. He has shown his spirit of co-operation in every part of the school and all of the activities and has endeared himself to all who know him.

# Board of Education

Never before have we expressed our appreciation, in the "Croghan," of the Board of Education. These are the men who in co-operation with the faculty, have made our school possible. The new additions, the modern equipment, and a competent faculty are due to their efforts. We wish them to know that we appreciate all these efforts.

# CLASS WILL

We, the Senior Class of 1928, being of sound minds and faculties (all rumors to the contrary,) do hereby make our last will and testament, declaring null and void all wills and testaments made previous to this time.

## TO THE SCHOOL

1. To the school as a whole, we leave the memory of the best class ever graduated from F. H. S., the class of '28, with two new trophy cups as proof.

2. To the Juniors, we leave the Croghan, the Chatter, the Student Court and the Clubs, with strict instructions to cherish them gently and pass them on intact and whole.

3. To the Sophomores, we leave our best wishes, and strict injunctions never to study too hard.

4. To the Freshmen, we leave two bottles of milk, three nipples, and a high chair, to be used in turn.

5. To the faculty, we leave our sympathy. They'll need it all.

## INDIVIDUAL BEQUESTS

1. To Bob Freeh, Johnny Meincer leaves one good football squad, to be diligently cultivated.

2. To Miss Bell, Richard Lee leaves two partly used sticks of chewing gum to be used in Public Speaking.

3. To John Garver, Haldon Keiser leaves one slightly used brain, in hopes he may need it.

4. To the editor of the Chatter, Juel Reed leaves the Chatter office with instructions not to efface any of its earmarks.

5. To Miss Cockerill, Chub Hill, Marian Ellert, Walter Forgatsch, and Harold Otto leave their undying love.

6. To Harold Drukenmiller, Dick Lambert leaves his "Secrets of Manly Beauty" to be studied assidiously.

7. To Norbert Ahner, Jack O'Farrell leaves one brilliant orange tie, to be worn only in combination with green, red, or purple.

8. To a certain Junior girl, Jimmy Caborn leaves a part of his heart.

9. To Dora Ann Slates, Bill Meggett leaves his undying affections.

10. To Miss Brown, the geometry classes leave happy (?) memories of hours spent in preparing polyhedrons.

11. To the basketball team we leave the record of the '28 quintet. Man could do no more.

12. To Dicky Rose, Jane Fangboner leaves one excellent book of Virgil translation, cautioning her to use it wisely, not too well.

We do hereby appoint as executor of our estate Miss Bell, with a bond of $900,000.

In witness thereof, we have affixed our seal, this 27th day of March, in the year of our Lord Nineteen Hundred and Twenty-eight.

# CLASS PROPHECY

The office inside the spacious glass fronts was the last word in luxury. Fitted with all the richest that wealth and taste could provide, it might well have been a Fifth Avenue drawing room, instead of the strictly business place that it was.

Outside a man alighted from a scarlet and gold Hespano-Suisa, and gave minute directions to the pretty lady chauffeur, who looked really fetching in her natty habit. (It is the year 1950, and women have entered even this field of work, in case you find it odd).

"Yes, Vance," he was saying. "Have the car here at three—no, I believe I'll take the Rolls aeroplane this afternoon at the flying field then."

With a slight nod and murmured, "At's the old system." She drove away, as the man entered the door of the Keiser Detective Agency, Service du luxe, as the gold lettering on the door proclaimed.

An efficient secretary came noiselessly from the back.

"Is there some—?"she began politely, when a light of recognition dawned in her eyes, spreading to those of the man facing her, "Harold Otto."

"Why, its Dorothy Smith!" The man was fully as surprised as she.

"What in the world are you doing here?" They cried simultaneously and then,

"I work here," said Dorothy simply.

"I want to see Mr. Keiser," said Harold. (Pardon, we should of course call the multi-millionaire Dog Biscuit King, Mr. Otto, or even Signor Otto),

"Haldon, you mean?"

"Don't tell me my old friend Haldon Keiser, who graduated in my class runs this?" he cried in excitement, staring at her in unbelief.

"Why, yes. Didn't you know? Why Harold!"

The respected and dignified Mr. Otto emitted three wild shrieks, swung madly on the chandelier, and commenced throwing books through the window, one hitting an innocent pedestrian in a tender spot, as a result of which he took his meals standing for some time.

At this crucial moment Mr. Keiser himself entered.

"Here, here, what does this mean—why Harold Otto, where did you come from?"

Followed an hour of babble, explanations and laughs, during which time we may as well go look at the stars.

Returning we find Harold and Haldon (Its really impossible for us to "Mister" our old friends!) seated in the latter's private office.

"You see, it's like this," Harold was saying, "I've got more money than I know what to do with, so I got the brilliant idea of having all of the class of '28 hunted up, and taking them all for a month's vacation on the Mediterranean in my private yacht. That's why I came here—I never thought you"—More exclamations and explanations.

Two hours later Haldon rose. "Sure, I'll do it. I'll leave for Fremont tomorrow, and I'll write to you every day, and tell you all about everybody, what they're doing—everything."

# CLASS PROPHECY

"Atta Boy! Will $25,000 be enough for expenses, say, for a week?"

"No sir!" We'll split 50—50 on the expenses," said Haldon firmly, and so it was decided.

The first letter came a week later.

"Well, I've found some already." Haldon had written. "Almost got lost in Fremont, I never knew it had grown that much larger than New York. My chance came at the Rotarian luncheon yesterday—Harold Althoff took me there—you know he's the coach of Fremont's all national team. And whom do you suppose is City Manager? This Rhoades that's getting all the publicity in the New York papers for exposing the Government's frauds, and who's mayor of Fremont, is none other than our friend Dusty! We three went around town together and saw a great deal. Blondie and Paul told me the rest.

"It seems Dorothea Antesberger is running a school for budding librarians —she has been awarded the Hepenslacker Medal for the most efficient librarianship for the last ten years— in Washington. She's quite chummy with the President's wife, who, by the way, is none other than Jane Fangboner. Ford Anderson is basketball coach at Yale—hear he's evidently in line for the presidency of the place. The funny part is that Luther Miller holds the same position at Harvard. Lulu Mae Nahm is making big money with a notion store, where the Strand used to be—of course you've heard that Nelson Tucker built a marvelous new 100-story theatre. Jack O'Farrell, supposed to be the highest paid comedian on the modern stage, is appearing there tonight. Last night we went and Marion Beeler, Wayne Bierly, George Reed, and Helen Oxley were the headliners of the bill. Were they good? And how?"

"Doris Hill is running a fashion shop. Incidentally, it's the most expensive and fashionable place in town. She sells only Treble dresses—in other words, only those Adelaide Childs, who's in Paris with Patou, the designer, designs. Elizabeth Betts, Ernestine Chambers, Esther Lindsay and Doris Miller are mannequins there. Well, I'll write more later.

HALDON

P. S.—They all can go with you.

Harold read it, gave one whoop, presented his valet with $1,000 and gave all the servants a day off.

Before long the next letter came.

"Well, old top (it ran) I've unearthed some more old classmates. Seems to me we both must have been blind not to recognize the names that have been appearing in the papers daily. For example, did you know this scientist who's been awarded the Nobel prize for two years is our old friend Walter Fink? He's discovered the 92nd element and called it Finkium. Kate De Ran is hostess at Paul Karlovetz's new night club, "The Mary," named in honor of his wife. Yes, it's really our Mary Thompson. I hear the owner of the Ritz has offered Kay a small fortune to come over to him. Incidentally, Alma Hills and Clifton Wonderly dance there. Yes, Cliff is quite a dancer now. Pat Hetrick is night host. He's taking Adolphe Menjou's place in the films after next month, but he'll go with you anyway.

# CLASS PROPHECY

"Bob Hines has created a big sensation by discovering a new kind of butterfly. It's a cross between a bird and a bumble bee. He is head of the biology department of Vassar. Bob always did like girls. Edward Myers is running a Matrimonial Bureau. He has just paired off Marian Ellert and Ralph McManigal, who by the way, is a radio announcer, and Howard Karchner and Ellen Hossman. Corine Boyer and Paul Schepflin seem fated to come next. I needn't say anything about Jimmy Caborn, of course you know he's president of the International Artists' League. Juel Reed has just published another new book—"Memories of F. H. S.," which the critics say will undoubtedly be a best seller. Dick Lambert is owner of the New Fremont Symphony. Sousa comes to every practice—is carried to them, rather, and prophecies that Dick will be nationally known soon. Charlie Barron and Gene Lutz are in it.

Beryl Thorson has astounded the world by her new geometry methods, written in collaboration with Carl Beeker. Lillian Strohl and Norman Wolf are evangelists. Pearl Shewell is heralded as a coming Paderewski. She's studying in France now, but will come back for the trip, she telephoned. Don Nickel and Zella Rohr are carrying passengers from London to Fremont by plane daily. A bunch of smaller planes, doing the same from Fremont to Spain, Germany, Belgium, and Russia are piloted by Vera Shively, and daring aviator, Howard Siegenthaler, Pauline Smith, Helen Wollman and Nelson Byers.

"This is longer than I intended to make it but I thought I might as well write at once, Haldon."

"Williams," said Harold upon receipt of this letter, could you use $5,000?"

"No, sir," said Williams. "Thanking you kindly, sir, but I already have all I need, sir."

At which words Harold went off and wept, finally ending by giving the money to his small daughter to make a dress.

The fourth letter was shorter. "Old Cabbage, I've got them all rounded up. Those whose names aren't in any of the letters are married, so I didn't mention 'em. They'll all meet you in the Harbor next Sunday at 2 o'clock sharp, ready to leave.

"Kate Secrist is in films, playing with Walter Forgatsch. Norma Renick has a school for June bugs, where she teaches them manners. Evelyn Overmyer is an orator. Oh, yes! Ethel Cooke, the noted woman politician, is favored to win the next presidential election. Don Miller is an inventor. Marian Engler is singing in Grand Opera this year, she's getting $50,000 a night. Mildred Hofelich is in politics too—she's city manager of Chicago. Vernon Reiter is running a clothing store in opposition to Roy Fork, who manages to undersell him. Harold Keiser is a missionary in China, and Viola Gracemyer has started a group of chain stores. Marvyn Lachinski is a lawyer of note. Don Hirschberger is a comedian and Maurice Kocher a tragedian in Germany. Delmar Cobb is president of Bowling Green University.

Well, this is all. I'll expect to see you Sunday. And for cat's sake don't forget the yacht. Haldon."

J. R., Literary Editor, '28.

## OUR CREED

"We believe in the Fremont High School as a place which promotes intellectual and moral progress; which encourages a spirit of loyalty, and whose training advances the civic standards.

"We, therefore, as students of this high school, believe that we should strive to maintain high scholarship and ideals; that we should be loyal in all points of school discipline and activity, and that we should cultivate those other qualities such as courtesy, honesty, and perseverance, which are the requisites of a representative high school student."

## STUDENT COUNCIL

During the last few years the Seniors have carried on a municipal government with the High School. Much has been done to improve school conditions.

The last two years, instead of just the Seniors controlling this, each home room has one of their members at the meetings. By this method the whole school is represented.

Rules and regulations have been drawn up, namely to make Fremont High School the best in the State and to create a better civic spirit.

The president appointed a chief of police, patrol and sanitary squads, whose business was to see that the rules and regulations were obeyed. Clifton Wonderly, as chief of police, did excellent work.

The President of the Council appointed a School Court which tried the offenders. The purpose of this court is to prepare pupils to carry on while still in school, the work of government which they will have to cope with later in life.

## CROGHAN STAFF

The credit for the success of this book goes to the Editor-in-Chief, the Business Manager and their staff. They have worked faithfully throughout the year to make this Croghan the best annual ever produced.

The new plan of having junior assistants for each editor, has been worked out and has proved a great help. The most efficient of these assistants will have charge of the Croghan next year.

Typing for this book was done by R. G. Rogers, Lillian Karlovetz, Lillian Strohl, Pauline Horn and Marian Beeler.

Every Tuesday the bank opens at 12:50. The bank for Senior High is in the study hall which is the main bank, while a branch bank is operated in the Ross building for the students of the seventh and eighth grades. After all deposits are made, the money is checked up with the deposit slips in the Accounting Room.

# BAND

The F. H. S. band, under the capable direction of Mr. Womelsdorf, has reached its best. The band has been faithful in arousing the spirit of the student body at all the football games and the home basketball games, as well as giving several concerts and fulfilling a number of outside engagements. The band was taken to the basketball tournaments at Mansfield, Findlay and Columbus, and did much to help our boys win the sectional and district championships.

# ORCHESTRA

The Orchestra of Fremont High is one of which we can all be proud, for there are few high schools which have produced its equal. It is under the direction of George L. Womelsdorf, who has been responsible for its great success.

It has filled a large number of engagements. All of the members have been faithful to their tasks, thereby making it what it is.

## GIRLS' GLEE CLUB

No finer bunch of girls can be found than that which composes the Girls' Glee Club. With much credit due to Mrs. Datesman, the girls successfully gave their concert. Each year the club is considered at its best and if it improves as it has during the past few years, the girls will be taken to one of the high school glee club contests to compete for honors.

## BOYS' GLEE CLUB

This organization of boys is fast becoming one of the most important musical groups in the High School. The club, the same as the Girls' Glee Club, is under the direction of Mrs. Elsie Greene Datesman, who cannot be spoken of well enough to show that we appreciate her talent. This year only the pupils in the four upper classes are allowed to join, and these must first try out.

This organization gave several public performances and the money received will be used to buy new music.

## OPERETTA

"In the Garden of the Shah," a musical comedy in three acts, was presented in the Fremont Theatre on March 28th and 29th. It was under the direction of Mrs. Elsie Greene Datesman, who as well as the cast, deserves much praise.

The story takes place in the Garden of the Shah in Persia, where Ted and Billy, American mining engineers, accompanied by their colored servant, Sam, come to work in the Shah's gold mines. Ted falls in love with Zohdah, the Shah's daughter, and Billy with Lohlah, her friend, while Nowobeh, Zohdah's old nurse, pursues Sam, much to his discomfort. The Shah has other plans for Zohdah's future and returns with an Arab Shiek for her to marry. Ted, Billy, and their servant are about to be thrown in prison for their continued attentions, when Nowobeh makes the Shah see that he will be defeating his own purpose, and his gold mines will not be operated. Finally he is persuaded to give his consent to the weddings and the story ends happily.

## CARNIVAL

The corridors of the school were crowded with booths and people, and ringing with laughter and noise on December 2d and 3d. In the gym there was the girls' football game where the Juniors defeated the Seniors both nights. In the auditorium the Follies and Minstrels were performing to the best of their ability. Then to close the affair well, there was a dance in the gym both nights. Never before has any class put on such a fine carnival.

## HALLOWE'EN DANCE

A Hallowe'en dance, sponsored by the Annual Staff, was given in the high school gymnasium on October 29th. The gym was appropriately decorated in orange and black. The orchestra members, dressed in purple and white clown suits, were seated in a large black cat's head and were able to be seen through the open mouth of the cat. Cider and doughnuts and other refreshments were served during the evening. At the close of the evening, prizes were awarded to Kathryn DeRan and Robert Shlesinger for having the best costumes. Unquestionably this was one of the most brilliant affairs of the school year.

## SOPHOMORE HOP

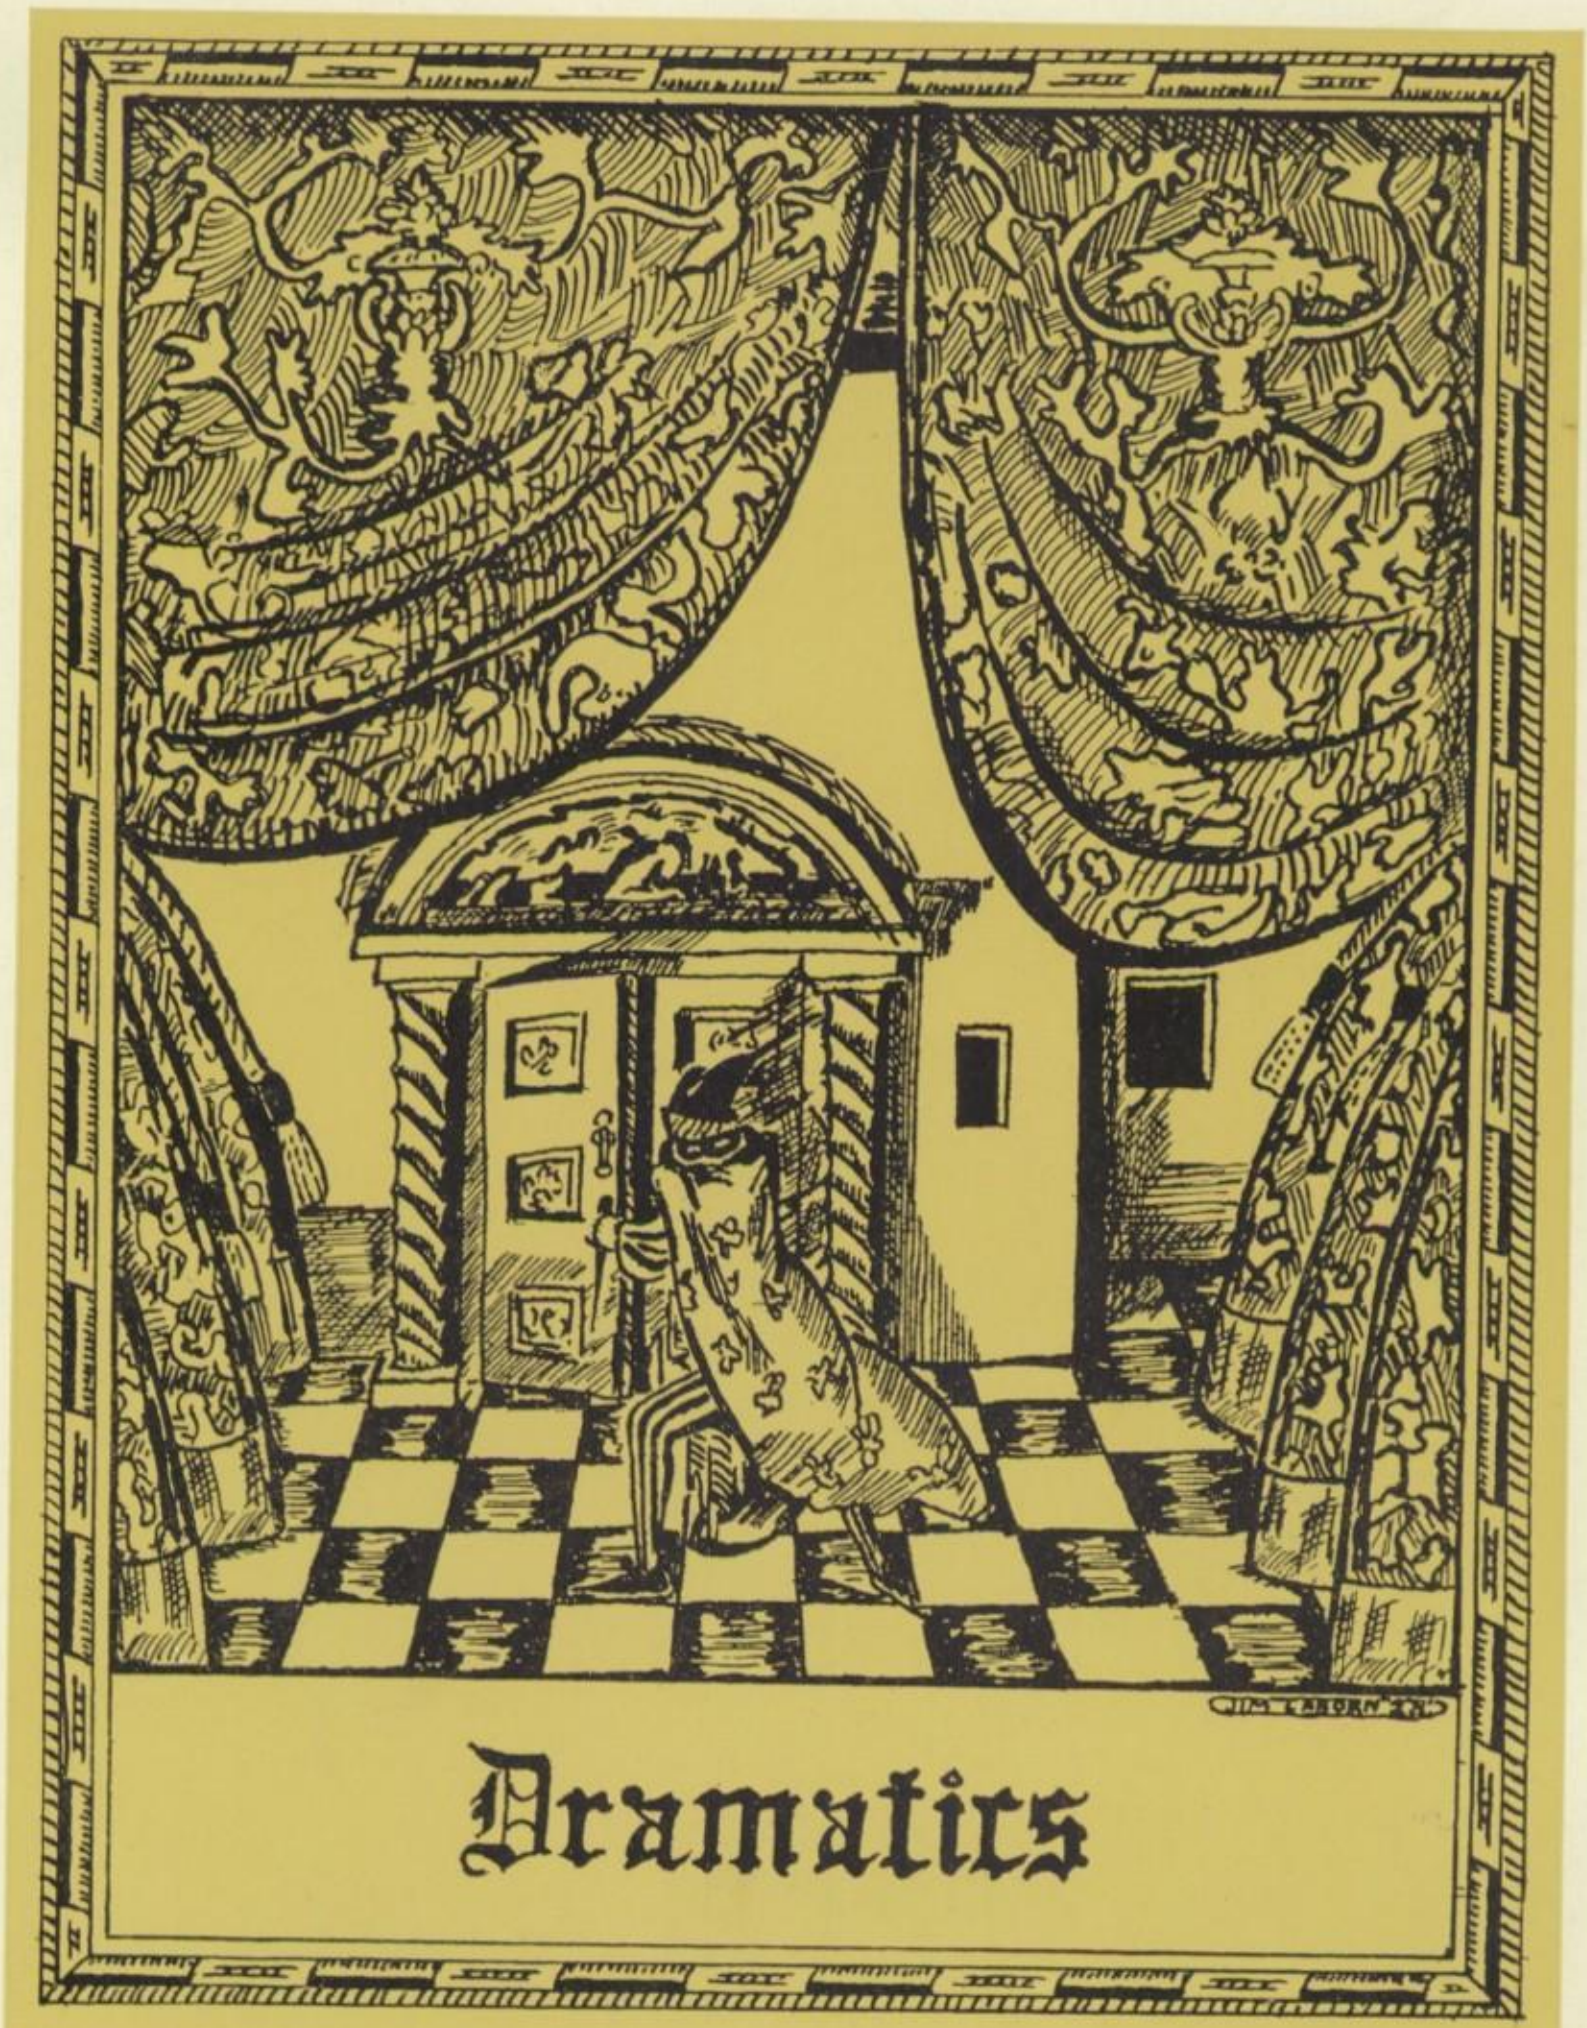
Not to be outdone by the other classes, the Sophomores held their annual dance on December 17th. The gym was attractively decorated with the class colors. A special attraction of the evening was the varied program given by some of the members of the class. Refreshments were served at intermission. The "Ramblers" furnished the music for the dancing.

## SENIOR BANQUET AND DANCE

A very delightful and important function, was the annual dance and banquet of the Seniors, on April 20th. The banquet was held in the school cafeteria in the early part of the evening, during which time a well arranged program was presented. A number of Seniors and teachers gave very fitting speeches. After the banquet there was a dance given in the gym for the entire student body. Both the cafeteria and the gym were beautifully decorated.

## JUNIOR - SENIOR PROM.

The Junior class entertained the Senior class with their annual farewell dance on the evening of May 17th. It was held at Rainbow Gardens which was beautifully decorated for the occasion. Waterman's Orchestra, at their best, furnished the music. During the evening a splendid program, arranged by the members of the Junior class, was given and greatly enjoyed. A light lunch was also served. The affair was well attended by both classes and their teachers, and was greatly appreciated by the Seniors.



# Dramatics

## THE MASQUE

The Dramatic Club of F. H. S. has again proven itself one of the most successful and prominent clubs of the school. The regular meetings are held twice a month. As a part of the program, the members practice various exercises which help in public speaking and acting.

The new members taken into the Club of course, were put through an initiation ceremony. At the regular party they were welcomed into the club with a very impressive ceremony.

This year the Club gave three one-act plays for the benefit of the public. Due to the efforts put forth by the casts, and under the capable direction of Miss Bell, the plays proved a success.

# DADDY LONG-LEGS

Jerusha Abbott has been an orphan in the John Grier Home during the whole of her eighteen years. Jervis Pendleton, a trustee of the home, was persuaded by Miss Pritchard to send Judy to college, because of her unusual ability. Judy is not told the real name of the person who is financing her education, but from seeing a shadow of him, decides to call him Daddy Long-Legs.

At college, she rooms with Julia Pendleton, a niece of Jervis, and Sallie McBride. Jimmie McBride, Sallie's brother, greatly admires Judy, but finds his true love in Julia.

When Judy discovers that Daddy Long-Legs is not an old, feeble man, but none other than John Smith in disguise with whom she has already fallen in love, the story ends happily.

## STAGE MANAGERS AND ARTISTS

The stage managers for the Dramatic Club Plays were Walter Rafferty, John Garver, Norman Finch, George Reed, Robert Shlesinger, and Maurice Kocher. With their management and help, the plays were given successfully.

Two artists, Jack O'Farrell and James Caborn, painted the scenery for these plays as they also did for "The Fair" and "In the Garden of the Shah." The scenery helped to make these plays go over big and much praise is due them for their talent. These boys are a credit to their school and surely will have success in later life if they follow this line of work. Never before in the history of the school have we had artists able to paint and be of such service in giving plays and having other social affairs.

## DRAMA

One art there is, and only one, which can avail itself at will of almost every device of all the other arts. One art there is which can reach out and borrow the aid of the poet, the painter, the sculptor, the musician, compelling them all to help it toward its own perfection. One art there is which, without danger of confusion, without departing from its own object, without loss of force, can, at one and the same time, tell a story, and give an impression of the visible world, and fill our eyes with the beauty of form, and charm our ears with rhythm and with harmony. This one art is the art of the drama, the art which most completely displays the life of man—"the youngest of the sister arts," the British poet called it, "where all their beauty blends":

For ill can Poetry express
  Full many a tone of thought sublime,
And Painting, mute and motionless,
  Steals but a glance of time.
But by the mighty actor brought,
  Illusion's perfect triumphs come;
Verse ceases to be airy thought,
  And Sculpture to be dumb.

# COACHES

The name of Bunk Ross means as much to Fremont High athletics as the name of Henry Ford means to the motor car industry. Bunk is a real coach and a real fellow. He is a man who understands every phase of any game he coaches. During his short stay in Fremont High. Bunk has produced real teams and this year—for the first time in many years—we have a CHAMPIONSHIP BASKETBALL TEAM.

Bunk Ross stands for Good Athletics, High Moral Standards, and most of all, Clean Sportsmanship.

This is Eddie Weil's first year in Fremont and he has certainly proved his worth. Eddie is an assistant who knows his stuff. Mr. Weil came to Fremont this year from Miami where he served as track captain and was the middle weight boxing champ. This Ross and Weil combination works like the motor of a Cadillac. Long may this pair reign.

# FOOTBALL INDIVIDUALS

JOHNNY MEINCER—*"Capt. John"*

Johnny Meincer, our captain, was an unanimous choice for "All League Tackle." He has played three years on the varsity and was one of the ablest Captains Fremont has ever had. Any back that could come through his side of the line was an exception.

CLIFTON WONDERLY—*"Cliff"*

The man who generally bore the brunt of the attack on the opposing team was Cliff (Three Yard) Wonderly. In the Tiffin and Norwalk games he carried the ball seven successive times for a touch-down. He was the "iron man" of the team and his place will be one of the hardest to fill next year.

HAROLD ALTHOFF—*"Aldy"*

Harold "Whizzer" Althoff, our cool, quick-witted quarterback, was also an "All League" man. Although his first year as a regular on the varsity, he came through as one of the stars of the season. He could carry the ball in good style and his kicking and passing was a great asset to the team.

WALTER HASSELBACH—*"Hassy"*

This was "Hassy's" second year on the varsity and he has earned the honor of being the most steady player on the team. After each game "Hassy's" opponent looked like a man put out by Joe Stetcher. Although he was not aggressive, he made up for it by hard work.

LAMAR HETRICK—*"Pat"*

"Pat" was one of the hardest blocking half-backs in the league and would also take his turn at carrying the ball. Whenever fight was lacking on the field "Bunk" put in "Pat." Although not so fast, he had a deceptive change of pace.

LUTHER MILLER—*"Bunker"*

"Bunker's" ability to fill any position on the team made him outstanding. As it was his second year on the squad, great things were expected of him and he certainly lived up to them. He played outstandingly in the Oberlin and Willard games.

ROBERT FREEH—*"Bob"*

Lack of weight and injuries could not keep Captain-elect Bob Freeh from being one of the outstanding players on the Fremont Squad. Bob is one of the hardest tacklers that ever donned the purple and white jersey. With Bob at the head of the '29 team, watch out for Fremont.

WAYNE BIERLY—*"Asia"*

"Asia" was a great backfield man who could kick, pass and man, how he twisted those hips while running. People will remember Bierly's great game when Fremont clashed with Willard. "Asia" intercepted Willard's first pass and scored by running through the whole Willard team.

LESTER BINKLEY—*"Bink"*

"Bink," sometimes known as "Legs," was a great end during the '27 season. "Bink" (a big rangy fellow) could certainly hook those passes. The combination Althoff to Binkley, was the downfall of many good teams. Bink hooked 'em high and wide—and the best part of it, he has another year.

# FOOTBALL INDIVIDUALS

J. W. MILLER—*"J"*

"J" is a human flash. When he gets his stride—Boy, look out! He is one of the flashiest backs on the squad. "J" will always be remembered as the boy who was used to run the opponents off their feet. Oh Boy! How he did it. He has two more years.

NELSON TUCKER—*"Nel"*

This man Tucker was a real football player in every phase of the word. Nel in reality was the veteran of the squad, having in his possession four football letters. He was a great mate for John Meincer, and could play center as well. Tucker is another word for Football.

NELSON JONES—*"Bully"*

Like J. W. Miller, Bully Jones is only a Sophomore and he has two letters in his possession—he's racing for two more. "Bully" was out a number of games because of injuries, but a little thing like that didn't keep this man from making his letter. Much is expected of Nel next year.

GEORGE LERCH—*"Ditto"*

Ditto seems to be a lad of many nicknames—and the same applies to him in football. George was a lineman but he seldom played in the same position twice. He played every position well. Mr. Lerch has another year—he and "Hassey" should make a great pair of linemen—they are a great pair anyhow—but in football—they are rare.

DONALD MILLER—*"Don"*

Don was a guard, and a good one, too. He seldom spoke—but he revealed his emotions on the football field by actions. Don is an oil man by trade and oil and John D. Rockefeller go together. Therefore it's J. D. Miller. Rockefeller is rich in oil. Miller is rich in FOOTBALL.

PAUL SHEPFLIN—*"Bozo"*

Paul Shepflin and service go hand in hand. Whenever a lineman was needed, Paul was there to see that the vacancy was filled. "Bozo" was one of the fellows that made the team a team. Creating good feeling and friendliness in every game.

JOHN H. TITSWORTH—*"Fat"*

John was also guard. Opportunity knocked at his door last season and did Johnny slam the door in its face—not on your tintype. He just welcomed Mr. Opportunity with open arms and made himself a real "Footballer." John has another year. Watch him go.

ROBERT MIELKE—*"Bob"*

Bob is a lanky lad who can use his legs—in other words—he's a speed merchant. Bob's services will be greatly missed next year. He's a real football player as well as a good fellow.

HOWARD SIEGENTHALER—*"Sig"*

Although "Sig" never got much of a chance to play in the big games, he showed what he could do when he did get in a game. He was a constant threat for a regular end position. "Sig" was fast and let very few plays around him.

## FOOTBALL SQUAD

This is just a word of appreciation and recognition of the services of the All-Americans (a refined name for scrubs.) They worked hard and by working hard it is not meant standing around with their hands in their pockets, but REAL labor.

They were the shock troop for the first squad. They put them through their work-outs and made them a real team.

Some of those fellows could not make the first squad and some never will. Nevertheless they went out because they loved the game and thought that they could do some good.

On the other hand, some of the same so-called scrubs will be real Red Granges or Walter Eckersalls some day.

# FOOTBALL SEASON REVIEW

King Football reigned with power during the '27 season. Football has always been the major sport in Fremont High and the Fremont fans are just "goofy" over a good team.

The 1927 team was a good team, in fact, it was excellent. It was the best squad that Fremont has had since the championship squads of '19 and '20.

With a gang of fellows like Captain Miencer, Nel Tucker, Don Miller, Bunker Miller, Whitey Althoff, Asia Bierly, Mielke, Siegenthaler, Hetrick, Wonderly, and Schepflin, is it any wonder that these Rossmen scored 196 points to their opponents 28?

Fremont lost but two games during the season, one with Sandusky, and the other with Oberlin. They were scored upon by Napoleon (7), Oberlin (6), Fostoria (6), Norwalk (7), and Sandusky (2). If that isn't a successful season—then why tell a lie?

FREMONT 39—GIBSONBURG 0 September 17

F. H. S. opened its football season by defeating Gibsonburg 39-0. It was one awful socking. The game was full of long runs with Fremont's backfield running wild. The sports writers disagreed over the score—saying that in reality it was 39-0—instead of 45-0—anyway it was bad enough.

FREMONT 32—BRADNER 0 September 24

This second battle was nearly the same runaway as the first one. Bradner didn't have a chance against our team. Fremont could score almost at will. Asia doing the heavy work.

FREMONT 13—NORWALK 7 October 1

This was the first League victory for our Rossmen. It was a victory that will always be remembered—for more than one reason, rain—quit? The heavens opened up an attack that would cause even the Sandusky River to swell. Cliff Wonderly proved his worth in this game.

FREMONT 12—FOSTORIA 6 October 8

For the second time in the history of Fremont High—we defeated Fostoria. Boy—what a victory! That great passing combination from Althoff to Binkley proved to be the downfall of the Red and Black warriors. Bob Freeh and Johnny Meincer also played real games.

FREMONT 32—BELLEVUE 0 October 15

This was another massacre. The Purple and White warriors were making all these league teams sit up and take notice. This backfield, Althoff and Bierly, Wonderly and Miller, was warming up and proving itself to be the "Real four horsemen." Pat Hetrick and Bink went wild in this game.

FREMONT 14—NAPOLEON 7 October 22

Napoleon came to Fremont with a record of one defeat in two years. Well folks, they went away with another. Napoleon scored the first touchdown and things looked bad. Then Captain Johnny Meincer grabbed the bladder and rushed it 40 yards for a touchdown. A short while afterward Bink grabbed a lateral pass and it was too bad—for Napoleon. J. W. Miller got away for several long runs. Did Whitey miss the points after touchdowns? Don't be foolish.

FREMONT 0—OBERLIN 6 October 29

We had hopes of a league championship when we ventured to Oberlin but our hopes were upset by a 6-0 score. To say we were out-lucked would be obliging and we're not doing that. But somehow Oberlin (the victors) only scored 12 first downs to Fremont's 17.

FREMONT 28—WILLARD 0 November 5

After that defeat at Oberlin, Fremont again got back into its old stride and Willard suffered. Wonderly, Bierly, Althoff and J. W. Miller all made touchdowns in this game. A young man named Creeley starred for the visitors. Bunker Miller made several long runs.

FREMONT 21—TIFFIN 0 November 12

Fremont defeated Tiffin almost as badly as they did Willard. The game got off with a slow start but the punting of Althoff and the work of Wonderly, Bierly and J. W. soon made up for the first quarter slump. Bunker Miller, Tucker and Meincer worked well in this game.

FREMONT 0—SANDUSKY 2 Thanksgiving Day

This was one of the hardest fought, best attended, and cleanest games ever played on Harmon field. Sandusky came to Fremont to cinch a league title, while Fremont fought to get a tie for the championship. Sandusky scored 2 points when Whitey was tackled behind his own goal line. Johnny Meincer tore the ligaments in his knee in this battle. Tucker, Althoff, Meincer, Wonderly, Bierly, Don Miller, Bunker Miller and Hetrick put up their last battle for F. H. S. in this game. Did they fight? And how?

DONALD HIRSCHBERGER—*"Fruit"*

Fremont never had a better and more faithful manager than Hirschberger. He gave all his time and work for the good of the team. He worked just as hard as any member of the squad. "Fruit" was certainly a favorite with the team members and they all wish that he would be back next year.

## *F. H. S. March Song*

Sing a song of praise to dear old Fremont High
Tell the wondrous story that will never die.
Sound the gladsome tidings so the world may know
Dear old Alma Mater, why we love you so.

*1st Chorus:*

Dear old Fremont High School, we'll be always true to thee
We will ever hail thee, with a song of vic-to-ry.
Shout the joyful message, 'til it echoes in the sky,
We will always love thee, Dear Old Fremont High.

Rally round the flag of dear old Fremont High
Dear to us forever, it will proudly fly.
See the royal purple and the snowy white.
Our beloved emblem stands for truth and right.

*2nd Chorus:*

Flag of Fremont High School, we'll be always true to thee
We will ever hail thee, with a song of vic-to-ry.
Shout the joyful message, 'til it echoes in the sky,
We will always love thee, Flag of Fremont High.

## *Yells of F. H. S.*

Amo Amas Amat
We've got 'em on the trot
They'll take our dust
We'll win or bust
Amo Amas Amat.

Fremont, Fremont
Here we are.

# BASKETBALL INDIVIDUALS

CAPTAIN HAROLD "WHITEY" ALTHOFF—*Forward.*

This young man is a real basketball player in every sense of the word. Whitey has been a great basketball player since his Freshman year, but this year, his last, he led his team through remarkable victories. Whitey could pass, dribble, shoot, and oh! how that boy could throw fouls. The name Althoff will always remind Fremonters of one of the greatest forwards that ever won a letter.

LESTER "LEGS" BINKLEY—*Center.*

The best news in the world is that Bink has one more year to strut his stuff—he's a junior. Bink was center and a real one. Many people often remarked that they had never seen a person move so fast on a basketball floor as that Fremont center—namely Binkley. The remarkable part about this speed was that whenever he got his hands on the ball—scorekeeper—two points for Fremont please.

GEORGE "DITTO" LERCH—*Forward.*

Ditto is also a Junior and he's ready to tear next year. He is the tallest man on the squad and he certainly made use of his height. George is an accurate passer and a good basket shot. When he and Whitey started working it was too bad for the opponents' guards.

J. W. MILLER—*Guard.*

Jay is a real guard. A fellow that is always on the job. This man Miller is a regular "leech" and that word is a credit to any basketball guard. Whenever any of the opponents worked rather flashy what would the Fremont mob yell?—It would yell—"Put J. W. on him." Did Jay fail? Not on your life. He has two more years to play. Incidentally Jay has won the honors for being the best guard in three tournaments.

FORD "ANDY" ANDERSON—*Guard.*

J. W.'s running mate, Anderson by name, is an all around player. Andy could play any position on the team and he proved it in Findlay at the Ada game. He surely played a variety of positions. Andy could dribble, shoot and pass and he and Miller paired as the greatest guards that ever donned a purple and white jersey. Andy will be greatly missed next year.

MYERS—"EDDIE"

Eddie proved to be one of the most valuable men on the team, because of his ability to go into the game at any time and work into the passing combination. He was small, but what he lacked in size he made up in fight and ability.

CLIFTON WONDERLY—"CLIFF"

Cliff was probably the hardest fighter on the team, which often proved a valuable asset to him. He showed that he could play a great game of basketball when he was called upon to enter a game.

LUTHER MILLER—"BUNKER"

Bunker played the game hard and worked in fine style with either of the other guards. He waved a good many games by his effective guarding after one of the other guards had been taken out.

WAYNE BIERLY—"ASIA"

Although "Asia" didn't play very much this season, he showed his ability when he did get in. His size was against him and this was probably the only reason he was not a regular. He will be lost to next year's team.

GROVER MCFADDEN—"ELBOWS"

This was Grover's first year as a high school basketball player. In spite of this he played a great brand of basketball. He is fast and a good shot. Everybody is expecting great things from him next year, as he is only a junior.

## THE RESERVES

Let's give three cheers for Captain Bob Mielke and his '28 Basketball Reserve squad. Bob and his squad played great basketball during the season and defeated many fast teams.

The fellows who are on the Reserves, have the honor of being called future stars of F. H. S. teams.

Bob Mielke played great games for his team, and toward the end of the season he won for himself a place on the first ten.

# BASKETBALL GAMES

FREMONT 24—BRADNER 5

Fremont opened its basketball season with an easy victory over Bradner. In this game McFadden and Lerch were given a chance to display their ability. Both boys showed up well.

FREMONT 21—TIFFIN, JR. O. U. A. M. 27

The team met with defeat at the hands of the Junior team. Although it was just a practice game, it was hard to lose. Fremont was never in the lead, due to the consistent fumbling of the whole team. It was clearly evident that the boys were off form.

FREMONT 33—BUCYRUS 17

The boys went to Bucyrus with the game of the night before (Tiffin) still in mind. Well, the score will tell you how they got their revenge from the last years district champions. It was plainly a case of too much scrap on the part of Fremont.

FREMONT 33—ST. MARY's 31

The next week they went to Bellevue and handed the St. Mary's team a 33 - 31 defeat. It was a close game and they won in the last few seconds by a field goal. The victory was a sweet one because of the three point defeat given us the year before.

FREMONT 29—ST. JOE'S 18

We defeated St. Joe's by an eleven point margin, but the boys did not play to the best of their ability. The game was slow and uninteresting. The team was outfought for the first and only time this season. But they won and that was all that was necessary.

FREMONT 50—NORWALK 17

Due to the poor showing the previous week, it was thought that the game would be a close, exciting affair. After the first five minutes it was evident that Fremont had hit its stride for the first time this season. Althoff, Binkley and Lerch played stellar offensive games, while J. W. Miller and Anderson were outstanding in defense. The game was finished with the second five playing and still Norwalk was outplayed.

FREMONT 29—FOSTORIA 19

Fostoria came over here having only one previous defeat. When they returned, another one had been added as the score showed. The game was fairly close until a rapid succession of baskets by Althoff and Lerch put Fremont ahead by a good margin. J. W. Miller played a wonderful game at guard.

FREMONT 44—BELLEVUE 31

Bellevue came over here with practically the same team they had last year. The way the game started, it surely looked as if they were "hot." They made three baskets before Fremont hardly had their hands on the ball. Our team then started to play and after that Bellevue never threatened. Binkley led the scoring for Fremont and Moore was outstanding for Bellevue.

FREMONT 24—SANDUSKY 25

Our old rivals defeated us again this year, but this time it was a one point defeat instead of a two-point one. We went over to Sandusky hoping that "Old Lady Luck," who had played havoc with us in the football game, would treat us kindly, but she again turned her back on us. The game was lost in an overtime period in which they scored three points to Fremont's two. It was a close game with the lead changing time and again. Althoff and Anderson played hard, fast games.

FREMONT 19—OBERLIN 11

Oberlin came here minus the famed Gaines and it surely effected the team because they did not prove as serious foes as they had the previous year. The game was as slow as the score indicates but the defense that Fremont presented was a puzzle to Oberlin. Althoff, Binkley and J. W. Miller played good games.

FREMONT 49—WILLARD 17

The team journeyed to Willard to return with a 49-17 victory. The game was a hard and fast one in which the team proved entirely too much for Willard. Part of the game was played by the second five who also proved more than a match for them. Binkley and Lerch led the scoring while Anderson was a tower of strength in defense.

FREMONT 54—ST. JOE'S 21

The team surely secured revenge for the battle St. Joe's gave it the first engagement. The orders were to make St. Joe's look bad, and they were certainly carried out. The game was one in which the referee tried to see how many fouls he could call. The whole team worked well together.

FREMONT 36—TIFFIN 28

Tiffin came here with a great reputation and they lived up to it nicely in the first quarter, as the score was 14-5 in their favor. But baskets by Althoff and Binkley put Fremont on the long end of a 19-16 score at the half. "Eddie" Myers, who was substituted in the second quarter, certainly showed his worth as he put the team into a spurt which carried them into a commanding lead.

FREMONT 24—FOSTORIA 26

The team went to Fostoria to meet their third defeat of the season. They did not seem to get going until the last quarter, but then it was too late. Fostoria presented a stalling offense in the last few minutes which proved Fremont's downfall. The game was rough and J. W. Miller of Fremont, Barger and Slosher of Fostoria were ejected from the game on account of fouls.

## GIRLS' BASKETBALL INDIVIDUALS

GRACE FISHER

Grace was a deciding factor toward the success of the team. She was fast and covered a lot of territory and was an excellent floor-worker.

LUCILLE LUCAS—*"Nook"*

No forward is too fast for Nook to guard. She was a fine intercepter and knew how to handle a ball skillfully.

HILDA ALTHOFF

"A cleaner game was never played by any girl." This sentence fully describes Hilda. She always handled a clean ball. Due to her steady playing she was chosen captain for nearly all the games.

HELEN MOSEBERGER—*"Mosey"*

A harder fighter you will never find. "Mosey" surely could handle a ball and was an excellent intercepter.

EUGENIA LEHMANN—*"Jimmy"*

She could always be depended upon when called into a game. She had speed and could hold on to the ball when she got it.

JANE MOORE

Tip offs were never lacking to Jane. She could loop baskets from almost any angle. She never failed to handle a good ball.

MABLE NUNAMAKER

Mable performed faithfully at her position. She always played a clean game and was very adept in passing the ball.

DORETTA HETRICK

Doretta had an exceptional ability for shooting baskets. She was speedy and was one of the valuable players on the team.

RUTH HUNTSINGER—*"Boots"*

Boots not only played an excellent floor game, but she could surely get the tip-offs. This is Boots' last year and she has been a faithful member of the squad for three years. Her valued playing will be missed next year.

MARY ANNE ADAMS

Mary Anne had a shrewd eye for the basket. Next year she will have a better chance to show her ability.

## GIRLS' SQUAD

Fremont High has never had a squad of girls with a better co-operative spirit. The games they played were all clean. Every girl on the squad was very capable. The team's fine playing can be attributed to their coach, Miss Tennerstedt. Although it was her first year, she has done wonders with the squad. Recognition should also be given to the managers, Ruby Vermilya and Melba Karbler.

The prospects for the team of '29 are very good because none of the regulars are removed by graduation. With the experience which has been acquired this year, and additional training next year, F. H. S. ought to have a championship girls' team.

## GIRLS' BASKETBALL

HUSKIES 31 — BLOOMVILLE 33 — December 16th

It was the Huskies' first game of the season and Jane Moore played her initial game. The teams were about evenly matched and the score was a tie at the end of the first quarter.

HUSKIES 21 — LIBERTY 27 — December 22d

It seemed as though the team couldn't get started. They were unaccustomed to a small floor and it was too near Christmas. The first two games ended in defeat but they were well fought and the team did its best.

HUSKIES 32 — NORWALK 15 — January 6th

Oh, such an easy victory! Hetrick alone made enough baskets to win the game. Althoff was the star guard. Huntsinger played her first game of the season.

HUSKIES 27 — PORT CLINTON — January 13th

Another victory but not so easy this time. Port Clinton was ahead until the last few minutes. The team, led by Adams and Moore, won a real victory.

HUSKIES 23 — BUCYRUS 23 — January 20th

This was the best played game of the season. The Huskies held bucyrus back until the very last when a foul was called which determined the final score of the game. Miss Tennerstedt formerly coached this team and the girls were especially anxious for a big victory. The big feed after this game will never be forgotten.

HUSKIES 36 — BLOOMVILLE 38 — January 27th

The Huskies once more received defeat at the hands of Bloomville when they played at Bloomville. The girls, although they looped in the baskets sufficiently during the first half to be ahead at the end of that period, needed more height to hold back their tall opponents.

HUSKIES 23 — CLYDE 27 — January 28

This was a game in which several of the Huskies went out on fouls. The score was close, but the few extra points were on the wrong side to suit the team.

HUSKIES 24 — FINDLAY 27 — February 1

Here again the Huskies met defeat. They led at the end of the half 14 to 8, but the final period proved too much for the girls. Hetrick and Huntsinger were the stars of the game.

## BASEBALL

Fremont High's baseball team of last year was exceptionally good. They won the county championship, having been defeated only once which was by Old Fort in the early part of the season. The team had most of the members of the previous year.

Baseball has never been a major sport in Fremont high, but last year the games were attended by a great number of students. It is hoped that it will become more popular and in time be as popular as football and basketball.

The team was composed of Captain Keller, Wadsworth and Binkley, outfielders; Shreffler, pitcher; Wonderly, catcher; Freeh, J. W. Miller, Pelton, and L. Miller, infielders; Connard, Gable and Hieneman were the substitutes.

Fremont defeated York, Jackson, Bellevue and Clyde, each once. They defeated Old Fort two games out of three.

## 1927 TRACK

The '27 track team under the leadership of Captain Johnny McCarthy was very successful. The team entered five meets during the year and emerged successfully.

The Purple and White Squadron won its first meet with Sandusky. Hetrick, Caborn, Althoff and McCarthy were the stellar performers.

In the dual meet with Sandusky, Fremont was defeated. However, Nel Tucker showed the Blue and White squad how he could run the low hurdles.

The Little Big Seven meet, held in Sandusky proved at least that Fremont could do better than four other schools by finishing third. Siegenthaler proved to be a hero by making a great spurt and winning the relay.

"Butch" Bowers of the Class of '27 broke the district track record for the javlin throw in the District meet held at the Scott field in Toledo. Butch hurled the stick a little farther than one hundred and sixty feet.

The '27 squadron was then eligible to take part in the state contest and "Whitey" 15-2 Althoff placed in the high jump.

The fellows on the '27 squad were Tucker, Caborn, Wonderly, Siegenthaler, Rinehart, Karlovetz, Lerch, Brown, Hasselbach, Don Miller, Binkley, Kissel, J. W. Miller, Althoff, Hetrick, Miencer, and Captain McCarthy.

---

## 1928 TRACK TEAM

Nel Tucker, a four year track man and football star, was elected captain of the '28 track squad. Nel is a "wizard" at the hurdles and he and Caborn should make a great pair this year.

The '28 team will be even better than the one of last year. There will be several veterans on the squad namely Captain Tucker, Binkley, Hasselbach, Lerch, Miencer, Hetrick, Siegenthaler, Caborn, Althoff, Don and J. W. Miller, and Wonderly.

SAID the Ruble to the Mark: "We don't amount to much, do we?" "No," said the Mark, "How can we? Our folks have gone back on us—they reckon us as of little account." "Too bad," said the Ruble, and so it is. When people "Go Back" on their money, prosperity dies and reckless spending begins; for money is, after all, an expression of confidence in our glorious Country and its wonderful resources.
If we spend for the things we need and save money reasonably, we display the right sort of faith. We put value into our efforts when we manage to restrain our spending. A nation that saves reasonably gets the most for its money. So does an individual.

Rock-a-bye, Senior, on the tree top,
As long as you study your grades will not drop,
But if you stop digging, your standing will fall
And down will come Senior, diploma, and all.

SCHOOL-DAY friendships are the closest we ever make, and often-times the Annual is the only means we have of preserving those precious memories.

The annual, therefore, is a book—not for a day—but for a lifetime. It should represent the finest creative expression of the craftsmen, the artist, typographer, engraver, printer and binder.

To any Annual Staff we say:

Before you start planning your next Annual, consult with us early in the year. Our art and layout departments will gladly furnish suggestions on typographical layout, color harmonies, and the thousand and one things which make up the finer Annual.

*Teacher*: "Why do you consider Washington a greater man than Lincoln?"
*Bright Pupil*: "Cause Washington gave us two holidays—his birthday and the Fourth of July."
